

## **Laura Ma**

Communications, Finance and Administration Manager

Laura Ma manages JGC's external and internal communications, including maintaining the website, overseeing the production of all JGC publications, and coordinating all JGC events. She also manages JGC's budgets, finances and organizational administration, including grant proposal development and financial reports to funders. Before her move to the United States from Hong Kong, Laura was in the advertising industry for more than 10 years, developing and implementing marketing and communications plans for regional offices of international clients including Procter & Gamble and Cathay Pacific Airways.
